

# MOTT'S APPLE SAUCE

## A Nutritious Favorite of Kids and Adults

People of all ages love apple sauce for its taste as well as its texture. Mott's offers a variety of flavors that can accompany any meal, or be eaten as a snack. According to MyPyramid, one cup of apple sauce counts as one cup of fruit. The recommended amounts for children are 1-1 1/2 cups of fruit each day, and 1 1/2-2 cups for adults<sup>1</sup>.

## Portable Nutrition

Apple sauce in single serve cups is a great snack that you can carry with you and eat on-the-go, and can easily fit into a lunch box. Mott's Apple Sauce contains 20% of the Daily Value (DV) for vitamin C. Each serving is naturally fat- and cholesterol-free, as well as naturally sodium-free.

## Varieties

Single-serve apple sauce is available in six-packs of 4-ounce cups in Original, Cinnamon and Natural (unsweetened), and a variety of fruit flavors. Twenty-four-ounce and 48-ounce multi-serve jars are available in Original, Cinnamon and Natural (unsweetened).

*Eating fruit provides a variety of health benefits. Fruits contain many vitamins and minerals that help children and adults stay healthy. People who eat more fruits and vegetables in an overall healthy diet have lower risks of some chronic diseases<sup>1</sup>. MyPyramid recommends people choose a variety of fruits<sup>2</sup>. Mott's offers a number of products to help people of all ages meet their daily recommended fruit requirements.*
